Yesterday's winners—Cincinnati (2), Cleveland (2), Baltimore, Pittsburgh, Chi-cago.

To-day's games—Baltimore at Pitts-burgh, New York at Cincinnati, Boston at Chicago, Washington at Cleveland, Phil-adelphia at St. Louis, Brooklyn at Louis-ville.

PITTSBURGH, July 21,-Two fine games were put up this afternoon and

the teams split even. Each of the four pitchers did good work and were well

supported. In the first game only one Piltsburgher reached third. In the second the case was reversed, and Baltimore reached third in only one instance. Killen kept the champions down to two hits up to the ninth, when with two men out, two more hits were scored. Brodle was put out of the game for abusive language to the umpire. Attendance, 5,500. Anyone who witnessed yesterday's game will picline to that belief. The weaknesses of the team are easy to particularize. Here are some of them:

an enjoyable afternoon.

In the first lining Wagner hit safe and two sacrifices sent him to third, but Gallagher's strike out ended the inning. Fort Wayne went out in order.

In the second, with two out, Gallagher reached first on Thurston's error and scored on Whaling's two-bagger. For the visitors, Tebeau hit for two bases, Criger sent an easy one to Garvey, who was in a trance and did not even attempt to throw out his man at first. Kane's error on King's grounder—filled the bases, and on Whaley's failure to handle Lynch's bounder. Tebeau scured. Thurston sent one to Garvey, willo threw to Shaw, retiring Criger at the plate, and Shaw got the ball over to Whaling retiring Thurston, and completified' a fast double play. Powell retired the side on one to Whaley. Wheeling was lucky to escape so lightly.

Umpire Christie was considerably off in his decisions, some times favoring one side and then the other, However, bis decision that Torreyson was all light at second, when he had been caught napping, inally gave Toledo two runs in the eighth and the game. It was an exciting contest, both plichers being in effective form. The fielding of Griffin, Babb and McGinnis, was of the gilt-edged order. The official score: WASHINGTON. AR R. BILPO. A. E.

Gladness Comes

With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge, that 50 many forms of slekness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly remody with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanliness without debilitating the organs on which it nots. It is therefore all important, in order to get its beneficial effects, to note when you purchase, that you have the genuine article, which is manufactured by the Chilornia Fig Syrap Co. only and sold by all reputable druggists.

If in the enjoyment of good health, and the system is regular, laxatives or other remedies are then not needed. If afflicted with any actual disease, one may be commended to the most skillful physicians, but if in need of a laxative, one should have the best, and with the well-informed everywhere, Syrup of Figs stands highest and is most largely seed and gives nost general satisfaction
